International Disaster and Emergency Management

Program Information About IDEM

The Global Studies core includes an international experience in either governmental or non-governmental organizations active in international disaster and emergency management. A study abroad component will be strongly encouraged for those students who do not have significant international experience. In addition, students will be required to take GS5513, which serves as the introduction to Global Crisis Management.

The Fire and Emergency Management Administration core consists of two courses that, together, can be taken as the fundamentals of International Disaster and Emergency Management, consisting of FEMP5623, which serves as the introduction to International Emergency Management and will introduce students to the basic concepts of emergency management administration, and FEMP6313, which is focused more directly on the practical aspects of emergency management in an international setting.

The electives have been structured to allow students to meet their individual needs and professional interests, thus allowing for some specialization within the structure of the certificate program.

Relevant courses at the graduate level offered by other departments, programs, and schools within the Oklahoma State System of Higher Education may be approved as electives by the director of the certificate program on a case by case for credit towards the proposed certificate.

To Apply for a Graduate Certificate in Global Issues

Application to the School of Global Studies graduate programs is made through a central online application process administered by the Oklahoma State University Graduate College. Note: You will have to pay an application fee for each graduate certificate you apply for. To apply, go to <http://www.applyweb.com/apply/oksugrad>.

Once on the site, follow the directions to create your account. Then, once you begin the application process, specify **the Certificate- International Disaster and Emergency Management (IDEM)**. Upon completion, your application will be processed by the Graduate College and forwarded to the International Studies program for consideration.

Graduation Paperwork

There are three forms that are required to be on file in your graduating semester. The first is an approved plan of study. If you find yourself beginning your graduating semester without an approved plan of study, please submit one as soon as possible at planofstudy.okstate.edu. (This is a separate and different plan of study from your master's program.) If you have an approved plan, review it carefully to see if a revised plan of study is necessary. The second form you must submit is a signed graduation clearance form. Third, you must submit the Application for Certificate Program Completion in the Self Service OSU online portal.
