

# Reciprocal Exchange Programs

Pay OSU tuition and receive OSU credits while studying abroad

## What is Reciprocal Exchange?

Reciprocal Exchange enables you to study internationally at a host university while paying OSU tuition and fees to OSU. Credits earned at the host university become resident credits earned at OSU when you return from your program.

## Eligibility & Deadlines

Students with a 3.0 GPA or above with at least 45 credit hours can participate. Some exceptions for GPA can be made. Priority deadlines for Fall and Full-Year applications are in early February. Spring programs are in early September. Applications submitted after the deadlines are considered on a first-come, first-serve basis.

Preparing tomorrow's global leaders today

## Funding your trip \$

OSU gives out around \$900,000 in study abroad scholarships each year. Other funding is available through federal financial aid and private organizations. To receive federal financial aid, you must take courses that apply toward your degree. Costs, such as room and board, books, and transportation, can sometimes cost less than studying in Stillwater!
